Jointly Developed

The parents, students, and staff work together and share ideas to develop the school-parent compact. Teachers met with their subject area teams to design practical strategies for parents to use at home (Example: Math, Reading/Family Nights.) Each year meetings are held to review and revise the compact. Based on the school's academic achievement goals and student needs.

Parents are welcome to provide feedback on the compact at anytime during the school year. All feedback will be collected and reviewed during the annual revision meeting with the parents.

High Quality Curriculum and Instruction used at CSI:

Carrizo Springs Intermediate provides their students a high-quality curriculum and instruction that enables children to meet the State's academic achievement standards.

Curriculum used: by grade level for each subject

ELAR 4th –6th Grades use Houghton Mifflin Harcourt

Math 4th & 5th Grade use Sharron Wells 6th Grade Go Math and GPS

All subjects use the TEKS Resource System TCMPC as a Scope and Sequence, along with Google Classroom as a platform for delivering instruction.

These curriculums are also used to achieve the Parent and Family Engagement School Goals for the 21-22 school year.

What is a School-Parent Compact?

A School-Parent compact is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all of the students reach grade level standards. Parents are welcome to contribute comments to our School-Parent compact at any time, contact our CSCISD Federal Programs Service Coordinator at 830-876-3503 ext. 1203.

Parental Involvement

There are many opportunities at our school for parents to volunteer and play a role in their child's education. Please consider joining the faculty, staff, and your students by being a parent volunteer or an active PTO member.

- Go to the Human Resources Office and complete a Volunteer Criminal History Record Check. You can stop by from 7:45 a.m. to 12 p.m. and 1 p.m. to 4:30 (there is no cost to fill out this form).

You must renew yearly (August– May)

Volunteering on campus is subject to safety guidelines and district protocol.

Social and Emotional Support for the Learning Environment

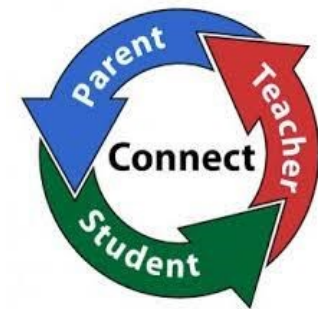

The Carrizo Springs Intermediate School is currently offering social emotional support for their students by:

- Having an opportunity to schedule a counselors' visit
- creating a Counselor's Corner in CSI campus website.
- offering group counseling activities/sessions
- providing teacher-lead SEL Quaver lessons once a week (15-30 mins) on Friday's. SEL focuses on developing skill sets that are found in mature, responsible students. When children can identify and manage their thoughts and emotions, they are better prepared to learn and grow, in the classroom . . . and beyond.
