

20

And shortly afterward . . . a physician, made the discovery that the carcasses of steers which had been condemned as tubercular by the government inspectors . . . were left upon an open platform and carted away to be sold in the city. . . .

—Upton Sinclair, *The Jungle*, 1906

Public response to revelations such as the one in this excerpt led to the establishment of regulations that were eventually enforced by the —

- F** Food and Drug Administration
- G** Centers for Disease Control
- H** Department of Commerce
- J** Institution of Education Sciences

13 During the Progressive Era, one goal of state-level political reformers was to —

- A** prevent party leaders from amending campaign platforms
- B** increase the influence of business owners on regulatory legislation
- C** promote the principle of direct democracy
- D** limit the use of judicial review by circuit courts
