## Bond Updates “Thank You”

- The \$91 Million in proceeds have successfully been received and secured in the district's capital projects fund. These funds cannot be spent on anything other than what has been specified in the bond election. At this time no project expenditures have been made.
- The bid for Project Management Services has been live since 2/28/2024. The project management firm will help the district stay within budget, procurement, communications and updates on the 2024 bond projects.
- The bid for Architectural Services has been live since 2/28/2024. The Architect firm will help with the design, engineering and planning of the future CSE and CSI campuses. They will assist in gathering input from stakeholders on how the campuses should be built.
- Once the project management firm and architect have been selected, the district will begin assembling a bond committee to include community members, teachers, local law enforcement, administration, etc.
