

**JOINT PUBLIC STATEMENT BY CARRIZO SPRINGS
CONSOLIDATED INDEPENDENT SCHOOL DISTRICT
MR. KYLE ABSHIRE**

Mr. Abshire's employment contract for the 2020-21 school year was renewed by operation of law; however, Mr. Abshire has voluntarily submitted his resignation as Athletic Director to permit him to pursue other interests.

The Carrizo Springs Consolidated ISD wishes to express appreciation to Mr. Abshire for his service since he joined the District. During this time, the District has enjoyed many accomplishments and achievements, including, but not limited to: insuring that each sport was funded to meet needs with at least basic allocation between the school budget, fundraisers, and booster club funds; establishment of a program for 6-12 grade for football, volleyball, basketball, softball, baseball and track, including intramurals for lower grades; and creation of pre-sport meetings with parents to communicate rules and expectations. On behalf of the entire District, the District expresses its appreciation to Mr. Abshire for a job well done and for serving this great school district and its wonderful students, parents and administrators.

Mr. Abshire thanks the Superintendent and the Board of Trustees for providing him with the opportunity to serve in the Carrizo Springs Consolidated Independent School District. A school district is measured by the commitment of the Board, staff and community to its children and their achievement. This District is indeed so committed. Mr. Abshire would like to express his heartfelt appreciation to the staff and community for their support of the District's programs and services during his term as Athletic Director.

Success requires hard work, dedication, leadership and vision. Mr. Abshire wishes to acknowledge and recognize the teachers, principals, administrators, staff, students, parents and patrons who have all contributed to the District's success.

The District extends its best wishes to Mr. Abshire in his future endeavors. On its part, the District will soon begin its search for an Athletic Director to begin as soon as possible so as not to disrupt the District's athletic programs.
