Translation Procedure

Every Student Succeeds Act (ESSA) Section 1114 (b) requires that an eligible school operating a schoolwide program shall develop a campus improvement plan. Section 1114 (b) (4) states that the information contained in such plan shall be in an understandable and uniform format and, to the extent practicable, provided in a language that the parents can understand.

Sections 1112 (e)(4); 1114 (b)(4); 1116 (e)(5); and 1116 (f) state that information regarding student interpretive, descriptive, and diagnostic reports, plans, policy, compact, parent meetings, and other required correspondence must be given in an understandable and uniform format, and to the extent practicable, in a language that parents can understand. Based on Home Language Surveys, the two most common languages spoken by our students and their parents/guardians is English and Spanish; therefore, all registration forms are provided in both English and Spanish. In addition, the campus has interpreters available to explain the registration procedures to our Spanish-speaking parents. The following statement in Spanish is included on documents not able to be translated.
